January 2009

Parish Council

The name for the new development off Street Road will be Robins Way, supported by the PC.

Planning:

Mr G A Doble - The erection of a building for storage of wet grain and farm implements and the retention of ground levels and hard standing areas. Somerton Road. Permission granted.

Mrs M C Staines - Conversion and extension of barn to form a dwelling (revised application) and temporary residence in log cabin while barn conversion is carried out. Land to the rear of

Compton House, Street Road. Permission granted. It was noted that the District Councillors had disagreed with the Parish Council's recommendation. It is normal procedure for SSDC to generate an automatic explanation when the determination goes against the PC's recommendation. The Clerk will look into why this has not happened on this occasion.

R E Fewings and Son - The erection of two replacement dwellings, at Manor Farm, Littleton. Resolved to recommend approval.

Next Issue

The next Newsletter will be out in March. If you have any items for the next issue, please leave at the Post Office or give to Greg Jones or any Village Hall Committee member. Articles can also be submitted by e-mail to jill@jillchampion.orangehome.co.uk.

Broadband Speed Survey

This survey has been initiated to identify the quality of the broadband service to the village. The results will be discussed at the February meeting of the Parish Council, and made available to all those who submitted results via email.

To take part in the survey (the more the better), simply go to www.broadbandspeedchecker.co.uk

and click on the 'start speed test' button. This will take a couple of minutes. On completion of the test, the Download and Upload speeds will be displayed. Please email these figures, along with the name of your **Internet Service Provider** and your **name and address** to: greg@mor-cott.co.uk.
